

Eric Holderman  
Organist

It is an honor and pleasure to be the organist for the Los Altos United Methodist Church since August 2018, and I thank the Lord for this church. I was born in Bakersfield and raised in Modesto. I was an organ performance major, and I have been an accomplished organist for 20 years. I have been the organist for a great number of denominations, and I am a member of the American Guild of Organists (AGO). I carried on the organist tradition, as my Grandmother Holderman was a church organist as well my great-aunt being a professional organist.

I am a paraeducator in special education at Leigh High School in San Jose and a member of a wellness company. I enjoy anything strawberry, Mexican food, egg nog, and snickerdoodles. I am a huge Star Wars/Star Trek fan, I love meeting new people, I enjoy United States history, and I enjoy watching old shows such as "The Three Stooges," "I Love Lucy," "I Dream of Jeanie," "Bewitched," "Battlestar Galactica," "Happy Days," "Laverne and Shirley," and "The Jeffersons." I am blessed to be a part of a wonderful church and music department.
