

Yvonne Murray
Compassion Week Program Manager

I have been active an active member of LAUMC for 25-plus years. I lead the Social Justice practice committee and I am a 2019 Changemaker Fellow. I have been actively involved in LAUMC's Gun Violence Prevention work and our Immigration Accompaniment Team. Most recently, I worked with Carol Damonte to establish the You Are My Beloved Child memorial in the Narthex. The memorial honors individual stories of people impacted by social justice issues.

I bring to this job 20-plus years of program management leadership in the technology space. I also bring a strong sense of purpose, a talent for collaboration, and an ability to get things done. My husband and I live in Menlo Park with our dog, Casey. Our kids—Chelsea Constant, Rallie Murray, and James Gould—were all active in Starfire and Lightshine as teenagers.
